VERIFONE OMNI 3740/3750 ACCESSORIES GUIDE

O37XX Blended Coiled Cable

To aid in cable management. A combination of the power cable and the telco cable coiled together to form a single cable.

Part #: 07766-02

O3XXX to PINpad/Barcode Y Cable

Standard PINpad cable included with Omni 3750 terminal. Connects PINpad to the terminal.

Part #: 07479-01

O3XXX to Barcode Wand

Connects O3XXX to VeriFone Barcode wand; MOD10 to DIN6 .15M

Part #: 07411-01

OMNI 3740/3750 MODULES

Hi-Speed I/O Module

A Hi-speed postponable communications module located at the bottom, back of the base terminal, and is separated from the base platform by removing a single screw.

Part #: 22669-02

Ethernet I/O Module

An Ethernet postponable communications module located at the bottom, back of the base terminal, and is separated from the base platform by removing a single screw.

Part #: 22725-02

O37XX 2 SAM Module

SAM (security access module) compartment, built into the bottom side of the terminal. The terminal contains micromodule-size SAM cardholders for supporting multiple stored-value card programs or other merchant card requirements.

Part #: 07839-01

O37XX 4 SAM Module

SAM (security access module) compartment, built into the bottom side of the terminal. The terminal contains micromodule-size SAM cardholders for supporting multiple stored-value card programs or other merchant card requirements.

Part #: 07839-02

Ethernet and Hi-Speed I/O Module

A combo postponable communications module (combining both Ethernet and Hi-speed) located at the bottom and the back of the base terminal. It is separated from the base platform by removing a single screw.

Part #: 07943-01

OMNI 3740/3750 MOUNTING PRODUCTS

Privacy Shield, O37XX

For use when customers want PIN entry to be kept private.

Part #: 07822-01

O37XX Adapter Stand/Wall Mount

Allows the Omni 37XX to be securely mounted to any surface. The stand adapter was designed to match the bolt patterns for existing 3-screw stands such as used with Omni and Everest terminals in Multi-lane Retail. They also can be used to attach either product to a custom stand.

Part #: 07859-01

Swivel Stand O37XX

The Omni 37XX utilizes a unique mounting method for the swivel stand that requires no screws, studs or tools. The swivel stand simply "clicks" into place and is released using a simple lever.

Part #: 07326-01

CR1000i Stacker with O37XX

Mounts the CR1000i with the Omni 37XX

Part #: 22755-01

Spill Cover O37XX

Plastic spill cover, protects keypad from liquids or other substances that could be harmful to keypad.

Part #: 22769-01

OMNI 3750 OVERLAYS

O37XX Overlay Generic Retail

Designed in retail format to provide quick access to key features.

Part #: 07831-12

O37XX Overlay Generic Restaurant

Designed in restaurant format to provide quick access to key features.

Part #: 07831-11

QRC Verix 2.3 Generic Restaurant

Quick Reference Card for restaurant features.

Part #: 22782

QRC Verix 2.3 Generic Retail

Quick Reference Card for retail features.

Part #: 22781
